

The corporate media is truly showing it's full bias, in a blatant disregard for rules of law and certainly showing the world the bias and toothlessness of the F.C.C. Allowing Pappas Telecasting Companies to donate \$325,000 in airtime to Republican candidates, would be huge slap in the face to fairness.

Our communities are not served, but weakened when a corporation, takes sides in an election, abusing their power, and showing a lack of intention to serve the public interest.

We must strengthen media ownership rules, not weaken them!!

Thank You
